

Five years report 2017 TO 2022

DIWALIBA OPTOMETRY COLLEGE

Established under Gujarat Private
University(Amendment) Act No. 25 - 2011
Government of Gujarat and approved under
section 22 of UGC Act 1956.

Diwaliba Optometry College: An Overview

In order to dedicate skillful staff in the field of eye care and with a view to serve the mission of Divyajyoti Trust, with the support of Uka Tarsadia University, We have started Diwaliba Optometry College in the year 2017. Uka Tarsadia University provides phenomenal support to us. We are very much thankful to Uka Tarsadia University and appreciate the assistance.

The college offers a four years bachelor degree course of Optometry for the 12th Science Biology pass out students. Under this programme students can get earning opportunities in Corporate Sector, Private practice, Optical store, Public health, Industry/Company, Eye care hospital, Education sector and scientific research/Clinical trials.

College also offers classes for Personality development, Business communication skills, English coaching, Soft skills and Moral Education. College does not charge any extra fee for these classes. College Fee decided by the Fee regulatory committee. First batch had 6 students. We provide an internship facility with paid stipends to our 4th year students. This is an unique value proposition of our college.

In 2018, Our College's 2nd year students secured 1st rank in Poster presentation held at Bhartimaiya College Surat as a part of World sight day celebration and in the 2019, our 1st year students have secured 2nd rank in Poster Presentation competition in National Conference - 2019 held at Aanand.

We follow the Ministry of Health and Family Welfare Allied Health Section 2015-16 Model Curriculum Handbook of Optometry. With a view to explore more about a student's socioeconomic background, we do home visits for each enrolled student. This helps us in decision making for a particular student. We have decided and confirmed that our optometry pass out students must get at least 15k/Monthly salary and they get it.

We invite special faculties for special subjects such as Physician comes for Systemic Disease, Pathologist comes for Pathology subject, Psychologist comes for psychology subject, Nursing specialist comes for Anatomy, Physiology & Nutrition subject, Senior faculty from surat comes for English coaching, Researcher Doctor comes for research methodology subject and Msc in physics degree holder comes for physics subject.

Optometry College student details

Faculty Development Programme

Uka Tarsadia University runs a Department of Humanity programme. Every year they do a faculty development programme. In order to develop knowledge and skills of the teaching faculty, our college's teaching staff attend this programme. This is really helpful to the teaching staff.

Outcomes:

Faculty were able to understand the Accuracy, Fluency, Tone and Pitch to make communication skills effective while teaching and also emphasized effective teaching methods, more professional etiquettes and presentation skills.
