

# TEJAS EYE HOSPITAL DIVYAJYOTI TRUST

## Hospital

- We have performed 1664 Surgeries during this month, almost equal to the last month performance. The hospital remained busy throughout the month. The team has managed the patient load reasonably well.
- For the first time in the history of Divyajyoti trust, we performed endo nasal DCR. We will purchase the equipment for the purpose soon.
- Dr. Pinkal Shiroya - our cornea consultant left us suddenly during the month. We are looking for a full time cornea specialist. The work will continue unaffected with the help of visiting cornea specialists.

## NETRAJYOTI TRAINING CENTRE

- The convocation function of 3rd batch of Optometry students was organised at Uka Tarsadia University on 4th February. Ms. Sejal Savania received Gold medal. Congratulations. Sejal and Sahista - two of them are planning to migrate to UK. We wish them best of luck.
- The new batch of Vision Assistant students was started from 1st August. Practical training is going on. Remaining theory classes are now being conducted on Saturdays.
- Theory classes for the first year of Optometry students are going on. There are now twelve students this year.
- Weekly online meetings for LEAP series is going on and our team is improving the data collection slowly but steadily. This will help us look at our data more carefully.

## VISION CENTRES

- We have continued bi monthly visit of a team consisting of Ophthalmologist, Ophthalmic assistant, maintenance staff and cleaning staff to vision centres.
- Footfall at vision centres has remained much higher than summer months after the beginning of winter. We are still struggling with the manpower requirements at a couple of centres. Students are opting for city rather than working in their own hometowns.
- A community meeting was organised at Selamba during the month. It was attended by 35 individuals. They have promised to support the activities.

## Vivekanand Pragnya Chakshu Bhavan

- There are 13 blind students in our hostel. Children have settled well. Teaching them braille, computer and music is going on as usual

## TRUCK DRIVERS' SCREENING PROJECT

- 34 camps were completed during the month. 3000 examinations under the Mission Disha project of Mission for Vision has been completed. Thanks to Mission for Vision for giving us this opportunity.

## CBR PROJECT FOR SONGADH TALUKA

- By the end of the month, we have screened more than 6608 individuals and covered a population of 28701. Close to 168 cataract operations have already been performed. We have recruited additional workers and now, we have 16 workers - two in each cluster. The survey has progressed slowly as against the targets. We are trying to hasten the process.

## ROP PROJECT

- We have screened 112 babies and treated 12 babies during the month. Under Mission for Vision's project for Navsari district, new babies are examined as per the target. Only the follow ups are remaining.

**GENERAL**

Civil work is gradually progressing towards completion. Hopefully, civil work for D block will be completed by the end of March and for A block by the end of April. Exterior painting work is also started. Finishing work is also going on simultaneously. Doors are fitted in B block on first and second floors. Campus development work is also started. All other agencies are now being onboarded one after the other. The ambience looks quite impressive. We hope to complete the campus by Diwali.

- A site initiation visit for Eyecreel 600 IOL study of Biotech was carried out during the month. The company will supply lenses now and the study will start sometime during March.
- Inspection of our eyebank for renewal took place during the month. Dr. Pritiben Kapadia and Dr. Isha Patel from Civil Hospital, Surat were here for the same.
- Mrs. Vaishaliben Shah and Dr. Pradeepbhai Shah - our major donors visited us on 29th February. They were very happy to see the way the activities are planned and implemented.
- Construction work at Amalsadi was slowed down due to festival season. However, plumbing, electrical and flooring work is going on in B building and painting work has also started after Diwali. We are hoping that the civil work for C building will be completed by the end of December.
