

TEJAS EYE HOSPITAL DIVYAJYOTI TRUST

HOSPITAL

- This month's performance has been little more than what it was in April last year - 957. However, due to extreme heat, the overall output was somewhat less.
- Dr. Pinkal Shiroya - cornea specialist from Surat has joined us as a full time cornea specialist from 3rd April. We welcome her. After almost 10 months, we have a full time cornea consultant. Good for our patients and us. We sincerely thank Dr. Darshan Kalaigar who has helped us in taking care of surgical cornea patients during the absence of full time cornea specialist.

NETRAJYOTI TRAINING CENTRE

- Training of three batches of vision assistant students and internship of one batch of students is going on well.
- Training of new batch of optometry students is also going on well. Both optometry and vision assistant students have started going to the centre of humanities for soft skill training at the university.
- Internship of third batch of optometry students is also going on well.
- Two OT staff from SEWA Rural, Jhagadia came here for three days observership to understand the retina surgical work. One counsellor came to understand counselling of retina patients and one registration staff came to understand PM JAY entry online.
- Dr. Kunal Bhatt from Vadodara completed his one month Phaco fellowship during this month. Dr. Nikhil Thadani from Ankleshwar has completed his two months SICS fellowship during the month, however, he has rejoined the same programme for another two months.

- We conducted one webinar for resident doctors under E-gurukul on Manual SICS on 8th April. Dr. Nilesh Naik, Dr. Uma Shroff and Dr. Uday Gajiwala made presentations and it was very much appreciated. On 22nd April, we presented a surginar (Live surgery demonstration) on Manual SICS under the same banner of E-gurukul. Dr. Nilesh Naik, Dr. Rajesh Patel and Dr. Uma Shroff demonstrated topical SICS, sub 5 mm SICS and Complicated SICS respectively. All the panellists and participants appreciated the surgical work. There were more than 450 participants who observed these activities.
- Dr. Mansi Karia was moderator at the Glaucoma workshop - Preserve the vision - Glaucoma scientific fest organised by South Gujarat Academy of Ophthalmology at Surat on 9th April.

SCHOOL SCREENING

- Follow up of those students who were provided spectacles to find out their compliance is going on. Till date, we have visited 91 students.

VISION CENTRES

- We have continued bi monthly visit of a team consisting of Ophthalmologist, Ophthalmic assistant, maintenance staff and cleaning staff to vision centres. The OPD remains high on the day of the visit of the Ophthalmologist. Hope this will provide a boost to the activities of the vision centre.
- Overall, the performance of all the vision centres has improved. We are still trying to persuade the staff members to go for field work in the afternoon and conduct weekly camp in surrounding area.
- The place for Sagbara vision centre is changed to Selamba early this month.

ROP PROJECT

- We have screened 102 babies and treated 6 babies during the month. One session of parents' education was conducted during the month at Kharel. Almost 15 - 20 parents and staff were present at the education session.
- We have continued our ROP screening activity inspite of the fact that there is no funding available.

TRUCK DRIVERS' SCREENING PROJECT

- Four camps were conducted during the month. By now, we have screened close to 450 truck drivers and cleaners in six camps. We are getting good support from GIPCL, Nani Naroli. We will conduct total six camps at their two sites.

VIVEKANAND PRAGNYA CHAKSHU BHAVAN

- There are 13 blind students in our hostel. The new entrants have also settled very well. We are happy to see their adjustments and academic progress.

EYE CAMP ACTIVITY

- Weekly two diagnostic eye camps have been continued. However, due to summer months, we are getting very few patients. We are considering the option of discontinuing camp activity in the areas from where we are not getting patients.

GENERAL

- The work at Amalsadi campus is still not gaining momentum. Half of the last slab in D building is pending. Other plaster work etc. is also progressing very slowly.
- GCP training of our ethics committee members and staff members took place during the month. Dr. Ashish Rastogi from CT Quest explained the details very well during the online training.
- Shivani Suchal - our lead faculty in Optometry College saved life of a young man in running bus while returning home from work in the evening. A 32 years old young man suddenly developed chest pain and was in great pain - Shivani used her training of CPR and saved his life. All the fellow passengers and driver - conductor of the bus and the depot manager congratulated her. We felt proud of her and are happy that our repeated training in CPR for the staff helped a young man.
- PMMA IOL study of Sharpedge Industries, Ahmedabad is completed during the month.
- A get to gather of all the vision technician / assistant students was organised on 30th April. Total 178 students were invited. 84 students attended the get to gather. Ms. Sejalben Vaghela, lecturer from Centre for humanities, UTU, Maliba campus remained present as chief guest. Ms. Shivani Suchal was the master of ceremony for the function, Vimalbhai gave an overview of the training programme, Madhaviben Gajiwala informed the gathering about the objective of the training activity. Students gave very positive feedback. A whatsapp group of all the students will be formed to help each other.
