News Letter - August 2020

HOSPITAL:

COVID 19 pandemic is far from being over. It rained heavily all across Gujarat during the month. COVID patients increased in numbers and two things put to gather, the workload remained quite on the lower side.

Corneal transplant work also continued at a very slow pace just like the last month.

Dr. Anshulee Sood – our Paediatric Ophthalmologist who was on maternity leave, has joined duties from 5th August. Squint and paediatric cataract patients who were waiting for a long time, are now being called for surgery one by one.

NETRAJYOTI TRAINING CENTRE:

Exams for the third year students was completed. All of them have cleared the final year. Congratulations to the students. Maitry Adhvaryu has secured Gold medal. The activities for their placement is going on. One student has already received placement letter from one trust hospital in Surat. The others are waiting for the interview to be conducted by Lenskart, Visionspring, Essilor and Bousch & Lomb. The process will be over early in the next month. They will join respective organisation in October as we are teaching them practicals which we could not due to COVID 19 situation.

Opportunities have come up for a few vision technician and ophthalmic nursing students also to get placement in Surat. Almost three months of training time is left to be completed, we are debating how to take care of both because the hospitals in Surat need them urgently.

A CME for Ophthalmic Assistant team was organised on 8-9 August. Greater emphasis is given to practical training now.

Ramesh Vasava posted at Netrang centre, has been trained in optical fitting work during the month. All the necessary equipments have been provided and he has started optical fitting work. Now, patient's time and expenses will be saved.

CONFERENCES AND WORKSHOPS:

Dr. Uday spoke about "Personnel preparation" in a webinar organised by Women Ophthalmological Society –on 8th August.

SATELLITE CENTRES AND VISION CENTRES:

Satellite centres and vision centres OPD work dropped to below 50% due to rise in the numbers of COVID 19 cases in rural areas and heavy rains during the month.

All the staff were provided a repeat training in working with the new guideline on zoom call.

Surgical work at satellite centres which was started from June has also gone down. Due to some damage to the ceiling of block room and waiting area in Jhankhvav, the surgical work has been stopped temporarily.

Application for repair work is already given to the concerned authorities.

EYE CAMP:

Looking at the rapidly rising numbers of CORONA patients, camps are far from reality at present. Even under unlock 4 guidelines, clearance is not given for conducting diagnostic eye camps.

GENERAL:

Towards the end of the month, we have received message from Vision 2020 : Right to Sight India programme that we will be the recipient of Dr. Jordan Kassalow Visionspring award for good work in refractive error correction in remote areas. The whole team is very happy to note this.

We had received a proposal for a research project of an ayurvedic medicine from Dr. Atulbhai Desai from Vyara. Our ethics committee after due diligence in a zoom meeting has given clearance to the project. The same has been registered on CTRI on 31st August.

Flag hoisting on 15th August was done at the hands of Shri Nalinbhai Shah – our secretary.

Two months ration kits were distributed to the blind children of our hostel with the financial help from Mission for Vision. We are thankful to Mission for Vision for the same.
