

TEJAS EYE HOSPITAL DIVYAJYOTI TRUST

HOSPITAL

- It is winter time. We have performed the highest number of surgeries for the year this month (more than November) – 1466. The workload has remained high all across the centres. We examined maximum 500 patients in a day (All centres and base hospital total combined). This is the highest number ever.
- Dr. Devang Painter – local pathologist has joined us as a visiting pathologist. His presence will help our laboratory work become qualitatively better.

SCHOOL SCREENING

- We are working with two teams to increase the coverage. We have started going back to the school children who were provided spectacles to find out the compliance of spectacles. Dr. Shweta Patel – community medicine consultant also visited this project to guide us.

ROP PROJECT

- We have screened 99 babies and treated 4 babies during the month. One session of parents' education was conducted during the month at Vyara civil hospital. Almost 25-30 parents and staff were present at the education session.
- We have started going to Chikhli Civil Hospital also for ROP screening from this month.

VIVEKANAND PRAGNYA CHAKSHU BHAVAN

- Blind girl of our hostel – Preyer Vasava won 2nd prize in Braille writing competition at Vadodara. We are very happy about this achievement.

GENERAL

- We are happy to note that ONGC authorities have approved sponsorship of 10 AOP students. Interviews were held on 21st Dec. in the presence of ONGC authorities. 24 students appeared for the interview. Of these, 12 students have been told to join the training from 1st January. We are thankful to ONGC authorities for the kind gesture.

Students Interviews by ONGC authorities at DivyaJyoti Trust

- Dr. Sucheta Kulkarni – renowned ROP specialist of our country visited us to help us improve our ROP screening activity. Alongwith her, Ms. Elizabeth Kurian, Dr. Sheetal Gangurde and Mr. Sabitra Kulkarni – all from Mission for Vision joined us. Dr. Sucheta’s inputs about screening all the babies irrespective of their age, will help increase coverage. Many thanks to her and thanks to Mision for Vision for inviting her.

• The third slab of A block and second slab of D block are done more than 50% during the month. Remaining part will be completed in the first half of the next month. Plaster work is going on in all the buildings. Compound wall work is started this month. Now, the shapes of the buildings can be seen very well.
