News Letter - January 2022

HOSPITAL :

Third wave of CORONA pandemic is on. Number of cases have increased across the country. We are no exception to the same. Almost 20 staff members were also detected positive during the month. With staff members getting quarantined, we had some problems in continuing the work. Somehow, we have managed to continue the work. Patients don't follow the COVID protocol inspite of one person continuously behind them for the same.

We have performed 1261 eye surgeries in January.

Dr. Neelam Yadav has joined us as cornea consultant from 1.1.22. Dr. Astha Patel has joined us a comprehensive ophthalmology fellow from 1.1.22.

We removed almost 40 maggots from the orbit of a very old lady and relieved her of the ailment. It was utter surprise how an individual can have so many live maggots that too quite big in...

NETRAJYOTI TRAINING CENTRE :

We have heard very positive feedback about the performance of our interns. We are encouraged by the feedback.

Dr. Purvi Garg has completed her one month SICS fellowship.

Prof. Bhatt took one more session online. It was heartening to learn that core team members have tried to implement the learnings and they are getting benefits out of this exercise. Our sincere thanks to Prof. Bhatt sir.

Eye camps :

One more eye camp at Shampura was held during the month.

SATELLITE CENTRES AND VISION CENTRES :

Workload at vision centres has improved substantially. Slowly, paying patients have started coming through vision centres and field workers.

Workload at Vyara centre is increasing gradually.

GENERAL :

Fourth patient was enrolled in Tacrolimus eye drops trial. One patient failed screening in Ranibizumab trial. PMMA IOL, Hydrophilic IOL and Hydrophobic IOL studies have enrolled more than 400 patients by the end of January.

Our innovative study of use of UV C rays and methylene blue eye drops has enrolled 39 patients over four months.

We have reached plinth level in building A also. Buildings B and C were at plinth level last month only. Will reach plinth level in building D by the end of first week of February. First slab of building B is done towards the end of the month. Satisfactory progress is achieved during the month.

Our RDD, Surat – Dr. Rupal Jeswani visited our hospital to see the activities during the month. CSR team of Adani foundation and ESSAR visited our hospital in response to our request for funding the Amalsadi construction project. CSR team of L & T also visited our hospital in response to our request for funding for equipments. Vidyabharti school teachers from Surat visited us to see the activities.

A get to gather of our camp organisers was held on 3rd January. However, due to CORONA pandemic, the presence was very less.

Dr. Uday attended online meeting of AIOS task force for creating guideline on prevention of cluster infection. The same was developed in 2018. It is being revised. Recent action was initiated due to two episodes of cluster infection in the country recently.
