

Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - July 2020

HOSPITAL:

COVID 19 pandemic is far from being over. Now, we have good number of COVID 19 patients in Mandvi town also. With that and onset of monsoon, the workload dropped again. We have examined 2135+ OPD patients and performed more than 450 surgeries. All our speciality clinics are also functional with 50-60% volumes. Third time repeat training of staff was done regarding new guideline. Patients who are coming to the hospital area mostly very genuine needy patients only. The fear of COVID 19 is such among the community that patients are avoiding routine visits.

There was a one week period when five doctors had to be quarantined at a time. Two of them had contracted mild disease. They all came back in due course of time. The work did not get affected because the OPD also dropped at the same time. We had to keep clinics closed for one week.

Eye bank activity has started at a very slow pace with cornea retrieval being done from hospital patients only. Small number of transplants are also done now.

NETRAJYOTI TRAINING CENTRE:

Theory exam of third year students is over. We will conduct practicals early next month.

Vision technician students are not yet called back to the training centre but we have decided to start online lectures for them also from August.

CONFERENCES AND WORKSHOPS:

Dr. Uday spoke about "Outbreak policy" in a virtual conference – Lions Sightfirst conclave on 12th June.

Dr. Uday conducted a webinar for the partners of Mission for Vision from North East on "Apprehensions while working under new normal in Post COVID era" on 31st July.

SATELLITE CENTRES AND VISION CENTRES:

Satellite centres and vision centres OPD work had reached 70-75% level last month, this also dropped to 50% due to rise in the numbers of COVID 19 cases in rural areas.

All the staff were provided a repeat training in working with the new guideline on zoom call.

Surgical work at satellite centres which was started from June has continued at the same pace.

Uchhal, Dediapada and Sagbara centres have sent patients for surgery this month also. Umarpada, Kim and Kosamba centres have also sent patients this month.

EYE CAMP:

Looking at the rapidly rising numbers of CORONA patients, camps are far from reality at present.

VIVEKANANDA PRAGNYACHAKSHU BHAVAN:

During the month, we thought of calling the hostel students to come to Mandvi and stay here. The idea was, they belong to very poor families and they may be starving at home. When the residents of the street came to know that we are going to have hostel students here, they objected. Totally unfounded fear was expressed, still, we went along with their apprehensions and postponed the idea. Instead, we provided the students with ration kits. Now, most probably, Mission for Vision will provide ration kits for two months to these kids.

GENERAL:

One article from the RAAB survey (Rapid Assessment of Avoidable Blindness) is published in Ophthalmic Epidemiology journal this month.

Executive committee meeting took place during the month. Naturally, members from Surat joined the meeting virtually. We are getting used to the virtual reality.

We have completed a major pending task for last three years – redoing the documentary on Divyajyoti trust. Both English and Gujarati versions are prepared. The video is bit long – 23-25 minutes. A short two minute video is also prepared both in English and Gujarati. It will be good for one group of people. For the other, we will prepare shortened version with 12-13 minutes duration. The scripts for shortened version is ready.

The maintenance department has continued to use the available time in preparing best out of waste.
