News Letter - July 2021

### HOSPITAL:

The CORONA pandemic is as if forgotten by people in our area which may be inviting a third wave – A worry some scenario. People are tired of sitting at home and so, OPD came close to 90% levels, whereas as far as surgical work is concerned, we have performed the highest number of surgeries for the month of July in all these 10+ years of existence. The prediction of seniors that the workload will go to 150% level as if is going to be true in near future unless we see a third wave. We pray Almighty that we don't get into a third wave.

Due to monsoon season, many staff members fell sick during the month. However, most of them have recovered and are back to work.

### NETRAJYOTI TRAINING CENTRE:

Training of all the students – optometry and vision assistant, is going on as usual. Optometry students appeared for their semester ending exam towards the end of the month. Practical exam will be taken early next month.

All short term training are still suspended.

Manisha Gamit – our vision technician posted at Kim centre completed her one month training in optical fitting during the month. We will be able to start fitting work at Kim now. CME for ophthalmic assistants and nursing staff was organised on 3-4 July and 17-18 July respectively. This helps the team revise the training and perform better consistently.

### Eye camps:

We have not yet started camp activity.

### SATELLITE CENTRES AND VISION CENTRES:

Workload at vision centres has not improved substantially. Unlike first wave, the work had returned quickly to vision centres is not happening after second wave. Hope, situation will improve after monsoon.

Probably the community is busy with agricultural work.

Our Vyara centre is converted into COVID facility and we have temporarily closed down our eye care activities in Vyara.

### HOSTEL FOR THE BLIND:

Six girls in the hostel, celebrated “Aluna vrat”.

### GENERAL:

Installation of most of the equipments at vision centres is completed. We are happy to note that our vision centres are very well equipped now.

Provision of meals to “CORONA ward staff at CHC, Mandvi” has been discontinued towards later half of the month as there are no more CORONA patients admitted there.

Construction work at Amalsadi site is going on, at a very slow pace.

Fire safety training of our staff was organised with the help of fire officer from KAPS on 24th July. We appreciate the support of KAPS administration and their fire department in providing this training to our team on almost yearly basis.

A community meeting of local well wishers in Dediapada area was organised on 29th July. 20 well wishers remained present and there was a healthy discussion on how to take the work forward. Local people have promised to spread word about the facility available locally.
