

TEJAS EYE HOSPITAL DIVYAJYOTI TRUST

HOSPITAL

- We have performed 825 Surgeries during this month. However, due to heavy and continuous raining throughout the month, the overall output was somewhat less. Still it is more than the July month last year.
- An epidemic of adenoviral conjunctivitis hit us in the later half of July. It has occurred almost at PAN India level. We created a separate OPD for these patients and suggested to the patients to avoid undergoing surgery if there was a conjunctivitis patient in the family. We reduced surgical work also. Luckily, in our area, the disease is mild and patients generally recovered within 2-3 days.
- Dr. Vidhi Patel has completed her one and a half years long Comprehensive Ophthalmology fellowship by the end of the month. She has done very good work. We wish her all the success in her future endeavours.
- Dr. Akruti Jariwala joined us as a consultant from 1st July. She will be with us for two years.
- We have received one pair of eyes from Mandvi. We appreciate the donor family for the same. This is consecutively second month when a local eye donation has been received.

Dr. Vidhi Patel has completed 1.5years long Comprehensive Ophthalmology fellowship

NETRAJYOTI TRAINING CENTRE

- Training of August batch of vision assistant students will be completed next month. Their performance in weekly exams has improved. They are learning practical skills also very well.
- Training of other two batches is going on well. Theory will soon be completed. They are picking up practical skills nicely.
- Training of new batch of optometry students is also going on well. Internship of third batch of optometry students is finished.
- A one day CME for nursing staff was organised with the help of Mrs. Anilaben Mistry – retired matron from Jayaben Modi Hospital, Ankleshwar. She is teaching a nursing course at Vivekanand Kendra, Ankleshwar. She conducted the CME in simple Gujarati and our staff appreciated it very much. We thank Dr. Hareshbhai for helping us out in making this arrangement.
- Dr. Shrushti Doshi from Surat has joined one month Phaco fellowship in the middle of the month. Dr. Nikhil Thadani has continued his SICS training part III for one more month.

A one day CME for nursing staff was organised with the help of Mrs. Anilaben Mistry

VISION CENTRES

- We have continued bi monthly visit of a team consisting of Ophthalmologist, Ophthalmic assistant, maintenance staff and cleaning staff to vision centres. Overall, the performance of all the vision centres has improved.

ROP PROJECT

- We have screened 122 babies and treated 10 babies during the month.

TRUCK DRIVERS' SCREENING PROJECT

- 4 camps were conducted during the month. By now, we have screened close to 1612 truck drivers and cleaners in 22 camps.

CONSULTANCY AND NETWORKING

- Dr. Kavin attended the iROP annual conference at Surat on 21-22 July and presented two e-posters.
- Dr. Uday talked about the standard protocol to be followed in cataract surgery online on 2nd July for the Orissa state eye health network. The programme was organised by Sightsavers.

GENERAL

- Equivalency determination (we are equivalent to USA charitable organisation) for Tarsadia Foundation is under process. Should be completed soon.
- We have been able to enrol thirty two patients in the dry eye study of Alcon by the end of July. A site monitoring visit was carried out during the month by the CRO. Enrolment in Toric IOL study of Omni Ltd. is going on - 12 more patients need to be enrolled.
- Our IT department staff has developed an indigenous data entry application for the field workers to enter data at the site from villages. They will be able to enter data offline also if internet connection is not available. The data will come to the server at Mandvi. This will make their work paperless and for us, tracking and reporting of their data will become easy.
- Our trustee Shri Ramnarayanji Chandak distributed one pair of dress, school bag, compass box, notebooks and one spiritual book to more than 600 children of four ashramshalas around with the help of Manas mandal, Mahila Mandal, Chhanyado and Helping hands organisation, Surat. They distributed same set of material to our blind students and our staff kids also.
- Dr. Uday was felicitated with Pankaj Kapadia Inspiration award 2023 on 30th July in Surat.
- Double coat plaster of outside of B building could not be completed this month due to continuous heavy rain. Internal masonry work and plaster work is going on. We have procured plumbing material. Granite application at seal level has started in B building.

Dr.Uday was felicitated with Pankaj Kapadia Inspiration award
