

## Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - June 2022

### HOSPITAL :

Rain got delayed and so the workload remained normal and we crossed 1000 mark in June.

Dr. Akruti Jariwala has joined her one year bond period to be served at Netrang CHC. She will take care of surgical work at Netrang.

Dr. Dhruvi is posted at Vyara and she is trying her best to increase the workload. With the passage of time, the work will pick up.

Dr. Mansi Desai has completed her one and a half years glaucoma fellowship by the end of the month and joined us as a consultant for two years.

### NETRAJYOTI TRAINING CENTRE :

Training of first year optometry students and vision assistant students is going on nicely.

Dr. Meet Mashru has joined us as a comprehensive fellow for one and a half years from June 22. Dr. Nikhil Rupala completed his one month Phacoemulsification fellowship during the month. Dr. Jay Rana has joined us for two months SICS fellowship during the month.

Prof. Bhatt had come for full day physical session early during the month. Positive outcomes of his training is motivating us. He took two sessions for our extended core group members during the month. He has also agreed to take soft skill sessions for our optometry and vision assistant students. We can not thank him enough for all the help provided to us.

### Camp activity :

From this month, we have restarted twice a week diagnostic eye camps in the areas where we don't have our vision centres / satellite centres.

### SATELLITE CENTRES AND VISION CENTRES :

Workload at vision centres has also dropped due to summer heat.

Workload at Vyara is also showing positive development.

### Hostel for blind students :

Schools have opened from 16th June. There are nine students in the hostel right now. We have sent three students to Mogri for further education.

### GENERAL :

We lost our senior Trustee and staunch Gandhian Resp. Shri Bhikhubhai Vyas during the month. He was 92 years old but was active till last few days. His work in Dharampur area was a huge transformation of the society. He must have left this earth with a deep sense of satisfaction. We will feel his absence and Dr. Uday in particular will feel the loss. We pray Almighty to give his soul eternal peace.

We are approaching completion of enrolment in hydrophobic IOL study. Enrolment in Hydrophilic IOL study for Sharpedge was completed in June. Multi focal and Toric IOL study for Omni lens is going on well. We could enrol seven patients in Tacrolimus eye drops study – the highest among all the participating centres. However, we have not been able to enrol patients in Ranibizumab trial. Our ethics committee met during the month for an expedited meeting and gave clearance to a comparative study of forskolin eye drops with Timolol eye drops is under consideration. DCGI clearance was also received during the month and three patients are already enrolled in the study. One more study of Amblyopia treatment using tablet is submitted to CTRI. Once we receive clearance, we will start enrolment. This study is in collaboration with the Japanese company which developed this tablet based treatment. Alcon team had come for site evaluation for their dry eye study and was convinced after looking at the set up and the workload.

Preparation for the second slab of A building is going on. Masonary work is going at the ground floor of A, B and C buildings, first floor of B building, Basement of A building. We have already procured tiles for the flooring purpose.

A small convocation function for the previous batch of Vision Assistants was organised on 12th June. Certificates were distributed by Dr. Rozy Patel – director, Centre for Humanities at Uka Tarsadiya University. Ms. Sejal

Waghela – another faculty from the same department also joined her. They encouraged students to climb new heights, at the same time suggested that they should do hard work and excel in their work. Semi - annual review of external audit of our work done by Mission for Vision team was carried out during the month. Most of the points suggested that we are doing well. A couple of important suggestions for improvement were also given. We will work upon the same in coming times. Annual exam of Ophthalmic assistants was conducted during the month. All of them including outreach staff gave exam on online platform of Auroshiksha. We are thankful to Aravind LAICO team for allowing us to give exam on their platform. GCP and research documentation training of our team was done during the month by Mr. Chetan Halani from CT Quest. We sincerely appreciate unconditional support received from CT Quest over last couple of years. Thanks to their efforts, we are involved in so many clinical trials.
