News Letter - March 2020

HOSPITAL:

The same corona story naturally gets repeated here. From 23rd March onwards, all the work has come to almost standstill. The month had gone well till that time. Our retina specialist has started visiting Sewa Rural, Jhagadia for ROP screening twice in a month as their regular retina person is unable to visit for six months.

NETRAJYOTI TRAINING CENTRE:

All the students have been sent home due to corona issue and the exams for the optometry students is also postponed in view of the same issue. A one and a half days CME was organised in the beginning of the month for the nursing staff of the organisation.

WORKSHOPS AND CONFERENCES:

Dr. Uday attended the "Comprehensive Ophthalmology" workshop organised by North Gujarat Ophthalmic Association at Visangar as a faculty and talked about the Cataract surgical protocol to prevent infection.

EYE CAMP:

A mega eye camp was organised with the help of KAPS authority. This year, the turn out was much higher than the last year. We examined more than 650 patients and advised surgery to more than 200 patients. Of these, 175+ surgeries are already performed. We are happy to note this development as it speaks good about the community perception of our work.

Community Based Rehabilitation Programme:

Rehabilitation work for fifth & last quarter was started last month. This work is also brought to a standstill.

Hostel for Blind children:

Hostel students are sent home.

GENERAL:

A get to gather of camp organisers was organised on 15th March. 98 individuals attended the same. We appreciated their support in conducting camp activities. We also emphasised the importance of local publicity. In general, they were praising the good work being done by Divyajyoti trust.

Dr. Uday was felicitated for humane work by "Surti Visa Khadyata Vanik Mandal".

Mr. V. K. Sharma – station director, Mr. Kevat – CSR head and Dr. Mrs. Uma Gupta – superintendant of KAPS hospital with their team visited us to distribute gifts to the operated patients following the surgeries done for their camp patients.
