Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - March 2021

HOSPITAL:

This month, once again, for the third consecutive month, we have crossed 1000 mark. The workload is gradually showing a trend towards normalcy which is a welcome sign. However, with the increasing number of CORONA cases, even in Surat, we don't know if the workload will drop again or not. It has to be seen. We are keeping an eye on the situation.

On March 8, we saw 258 OPD patients and performed 58 surgeries, our highest in a day for the year.

We have started the visits of visiting consultants from March. However, due to increasing number of corona cases, some of them could not come. A new oculoplasty consultant Dr. Vasavi Joshi from Surat has started coming twice a month from March.

We have started going to Swami Vivekanand Ramkrishna medical centre in Ankleshwar on 1st Thursday of the month for DR screening. We will be sending our ophthalmic assistant with a non mydriatic fundus camera. The images will be graded by our retina specialist from Mandvi.

Similarly, we have started short term training programme from March.

NETRAJYOTI TRAINING CENTRE:

Dr. Vaibhavi Noticewala has joined short term training in medical retina from 1st February. Dr. Kruti Panchal did her short term phaco fellowship in the month of March.

All the students have cleared their final exam for the semester. Classes for the next semester have started.

All 18 AOP students have received placement. However, our dilemma is – how many opportunities should be given to any student? Our students' behaviour is very unpredictable. They deny the opportunity for puny reasons.

Eye camps:

KAPP, Kakrapar unit sponsors a mega eye camp every year towards the end of the year. This year, they signed an MOU on 21st March to conduct 100 operations on patients from their area. We did field work from 23rd onwards and selected close to 200 patients. However, only 35 patients turned up for the surgery. We will take care of the remaining surgeries in the first half of April.

SATELLITE CENTRES AND VISION CENTRES:

Number of patients coming from Khapar centre had increased and we were very happy about it but due to very rapid increase in the number of corona cases in Maharashtra, the borders have been sealed and a negative RT PCR test is made mandatory. We have to see what happens to the inflow of patients from Maharashtra.

GENERAL:

Our ethics committee meeting was held on 27th February. It was a virtual meeting. Approval was given to the clinical trial of "Ranibizumab" – a bio similar manufactured by INTAS pharma.

Mr. Venkatachalam – site director of KAPS, Kakrapar visited us on 26th March. He was praising our work and promised to support more surgeries every year.

A community meeting was organised at Umarpada vision centre on 23rd – 23 individuals attended the same. They suggested that we should shift the location to a more central location in the market area.
