

TEJAS EYE HOSPITAL DIVYAJYOTI TRUST

HOSPITAL

- Once again this month's performance has been little more than what it was in May last year - 834. However, due to extreme heat, the overall output was somewhat less.

NETRAJYOTI TRAINING CENTRE

- Training of three batches of vision assistant students and internship of one batch of students is going on well. Their performance in weekly exams is improving. They are learning practical skills also very well.
- Training of new batch of optometry students is also going on well. Internship of third batch of optometry students is also going on well.
- Our teachers for vision assistant course - Ms. Nidhi Prajapati, Ms. Nidhi Chaudhari, Ms. Dipika Vasava, Ms. Akruti Chaudhari and Mr. Alpesh Mistry attended 10 days faculty development programme organised by centre for humanities of Uka Tarsadia University between 18th to 28th May. Their learnings will be helpful in better teaching of our students. We are thankful to UTU for giving this opportunity to our team.
- Dr. Pragna Vasava from Rajpipla came for one month Phaco fellowship during this month but left in a few days due to her family circumstances. Dr. Nikhil Thadani has continued his SICS training part II.
- Our housekeeping staff and kitchen staff were sent to hotel Avadh Utopia for exposure in housekeeping and managing kitchen respectively three days in two batches. They have learnt - understood the work being done in a five star hotel in commercial set up. They will try to implement their learnings here. Management of Avadh Utopia did not take any charges for this training or for lodging - boarding of our team. Our sincere thanks to Avadh Utopia management - particularly Mr. Mahek Mehta - senior project manager and Mr. Keyur Lakdawala - asstt. Housekeeping manager.

faculty development programme

VISION CENTRES

- We have continued bi monthly visit of a team consisting of Ophthalmologist, Ophthalmic assistant, maintenance staff and cleaning staff to vision centres.
- Overall, the performance of all the vision centres has improved. We are still trying to persuade the staff members to go for field work in the afternoon and conduct weekly camp in surrounding area.

ROP PROJECT

- We have screened 63 babies and treated 4 babies during the month.
- We have continued our ROP screening activity inspite of the fact that there is no funding available.

TRUCK DRIVERS' SCREENING PROJECT

- Six camps were conducted during the month. By now, we have screened close to 974 truck drivers and cleaners in 12 camps.

CONSULTANCY

- Dr. Uday did clinical audit of Katihar Lions eye hospital, Bihar and Laxman eye hospital, Bihar on 26 and 27 May. This activity was proposed by Sightsavers.

VIVEKANAND PRAGNYA CHAKSHU BHAVAN

- There are 13 blind students in our hostel. Students have gone to their native places due to vacation period. A workshop for them was organised during the month as done every year. 21 students participated. They were taken to Pavagadh for picnic which was fully sponsored by a local philanthropist. One NGO team members came specially to teach rakhee making to the children. They were given an opportunity to sing prayer in the 12th annual function of the organisation on 21st May. All the three students who appeared for their 12th std. exam have cleared the exam and will start college from next academic session. There were six students who appeared in 10th std. exam. Four of them have cleared the exam and two students will need to reappear in the exam in Sept.

GENERAL

- Japanese delegation - Dr. Ishigaki, Dr. Handa and Ms. Kim Minjung visited Mandvi on 1.5.23. They appreciated the progress of our Amblyopia study. We have enrolled 19 students by now and we have seen good improvement in atleast one patient. They praised our documentation also. They have given two more tablets for the study during the visit and also a good no. of pokemon stereopsis tests.

- Site initiation visit for dry eye study was conducted on 9th May by the sponsors. We have been able to enrol six patients in the dry eye study of Alcon. Even a site monitoring visit was conducted on 30th May. Sponsors expressed pleasure on observing the documentation. Dr. Meet Mashru attended online GCP training during the month.
- Our team - Mr. Nikhil Mehta, Mr. Jignesh Patel, Ms. Sunita Vasava, Ms. Akruiti Chaudhari, Mrs. Kamini Mehta visited Universal medicaps, Vadodara to see their gamma radiation plant and discuss with them how they can help us in sterilising our material at the plant. They are going to help us by doing the work free of cost for us.
- Ms. Guarangi Kolzarkar visited us on 23-24 May for audit of Truck drivers' screening activity.
- We have employed two blind individuals for scanning of old case sheets and data entry.
- TCS has donated 10 second hand computers to us. We are thankful to them for this useful support.

12th annual function was celebrated with great enthusiasm. Staff members and students participated in the function and performed very well. Winners of the performances will be given a certificate and a prize in the next staff meeting. Our core group members who have been with us for more than five years and whose performance has been vital in rapid progress of activities at Divyajyoti trust were felicitated with a plaque and a token gift. DCB bank handed over school bags to all the school children who have made academic progress during the year as a part of their CSR activities. We are thankful to the bank authorities for their kind gesture. A blood donation camp was also organised on 21st in the morning. 27 bottles blood was collected. Ganesh puja was organised on 22nd in the afternoon. Five staff members got an opportunity to be the host.

Ganesh puja was organised

Lenskart people conducted a campus interview of all our interns and we are happy to note that all our students are selected by them with CTC of Rs. 28,000/-. This is a big achievement for the college.

Lenskart people conducted a campus interview of all interns

Our paper on cost saving through telemedicine submitted to Indian Journal of Ophthalmology has been accepted for publication. It will get published in 4-6 months. We have paid the publication charges.

Shri Kolawala and Shri Rathod sir from LIC office, Surat came for inauguration of the green laser donated under the LIC Golden Jubilee Foundation. Upon seeing the work first hand, they felt satisfied that the machine will be genuinely used for poor people. Mr. Deshraj Bansal from Sajjan India came for monitoring the progress of construction work at Amalsadi campus. Ms. Tejalben Desai and Mr. Harish Yadav with their family came from Surat specially to feed our blind students.

Educational tour of staff members was organised in two batches - 13th and 27th May. They visited Surat Manav Seva Sangh - Chhanyado, Jeevanjyot trust - Amroli and Jeevanjyot diagnostic centre, Udhana. All the three NGOs are headed by our president Shri Bharatbhai Shah. He took out time both the times to talk to the staff members.

Educational tour of staff members was organised in two batches. They visited Surat Manav Seva Sangh - Chhanyado, Jeevanjyot trust - Amroli.

The work at Amalsadi campus is still not gaining momentum. All the major slabs of all the four buildings is completed now. Minor work is still going on. Internal plaster and masonry work is also going on. Outer plaster of one side of B building is completed towards the end of the month. We have procured flooring material, electrical material and are in the process of ordering plumbing material.
