

TEJAS EYE HOSPITAL DIVYAJYOTI TRUST

HOSPITAL

- It is winter time. We have performed the highest number of surgeries for the year this month – 1422. The workload has remained high all across the centres. We examined maximum 400+ patients in a day (All centres and base hospital total combined).
- Dr. Akshat performed five corneal transplants on 3rd November. The highest transplants done in a day in our history.

NETRAJYOTI TRAINING CENTRE

- First year optometry students and vision assistant students are learning practical tasks nicely.
- One new batch of Vision Assistant students has joined from this month. This batch is sponsored by Kakrapar Atomic Power Station people under their CSR programme. All the students are selected from the service area of KAPS.
- Milan Patel and Anil Chaudhari attended equipments maintenance training workshop organised by Vision 2020 Right to Sight India programme at Shankar Netralaya, Chennai during the month.
- Dr. Kavin Shroff has joined a year long online retina training programme, Dr. Mansi Karia has joined six months long online glaucoma training programme and Mr. Vimal Prajapati & Ms. Shivani Suchal have joined three months long Community Eye Health programme – all from this month. All these programmes are conducted by LVPEI, Hyderabad.
- Dr. Samixa Modi has joined two months SICS fellowship during the month. Dr. Dhaval Patel did one month medical retina short term fellowship during the month.
- Prof. Bhatt continued the discussion on ownership and accountability during this month's session.

Dr Dhaval Shah has completed Medical Retina Short term Fellowship

Prof. Bhatt at Divyajyoti Trust

Consultancy work

- Dr. Uday, Mr. Vimal and Mrs. Sunita conducted clinical audit of Netra Jyoti Sewa Mandiram Eye Hospital, Veerayatan, Bihar during the month. They are the oldest eye hospital in Bihar. The activity was sponsored by Sightsavers International.

SCHOOL SCREENING

- School screening work has restarted after Diwali vacation. We have decided to use two teams for the activity from now onwards.

ROP PROJECT

- We have screened 46 babies and treated 4 babies during the month. One session of parents' education was conducted during the month at Bardoli. Almost 25-30 parents and staff were present at the education session.
- We have started going to Navsari Civil Hospital also for ROP screening from this month.

VIVEKANAND PRAGNYA CHAKSHU BHAVAN

- Diwali vacation shibir was organised during the month. 21 students attended the workshop and learnt new skills. They were taken to visit of Dakore temple during the shibir.
- With the addition of one more student, there are 10 students now in the hostel.

GENERAL

- We are happy to note that ONGC authorities have approved sponsorship of 10 AOP students. Publicity of the same will be done in first half of December and interviews will also be conducted during the month. New batch will join from 1st January. We are thankful to ONGC authorities for the kind gesture.
- Ms. Nidhi Kejriwal visited site as a part of site closure visit for Forskolin study. She was satisfied with the documentation work done by our team. We are learning the documentation needs of research activities.
- Mr. Debashis Maiti from Mission for Vision visited ROP screening activity at Bardoli and Vyara satellite centre. He gave a few suggestions for reporting of ROP activities and about supervision of field workers. His suggestions will be useful in improving our activities.
- Construction work which had come to a halt due to Diwali festival has restarted though at a slower pace. It will pick up speed soon.

ONGC authorities & interviews
