

Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - September 2020

HOSPITAL:

COVID 19 pandemic is far from being over. Raining has gone down in its severity. However, all the seasons are delayed and so, it did rain here and there during the month.

COVID patients increased in numbers but now, people are tired of sitting at home and so, are coming out. Six months stand still of activities has resulted in a surge of mature cataract patients and even in private practice, our colleagues are seeing mature cataracts which they rarely saw in the past. The workload increased to some extent and we have performed maximum number of surgeries in a month this year. Corneal transplant work also continued and the maximum transplants for the year were also performed during the month.

NETRAJYOTI TRAINING CENTRE:

We have completed practical training of third year students by the end of the month and they have been relieved to join internship from 1st Oct. One student will join a trust hospital in Surat. Three students will join Essilor. Visionspring have not yet taken interviews and two students are waiting to appear for the same. They will hopefully join by 10th Oct.

Exam for the first and second year students will be planned in October.

A slogan writing and poster painting competition for Optometry students was organised as a part of eye donation fortnight celebration. Students participated with great enthusiasm. Their work was judged by Ms. Sweta Patel from MFV, Mr. Hardik Patel and Mr. Purab Dalal (later two are their teachers). Prizes will be distributed in the annual function.

An inhouse short two minutes video was produced to spread awareness about optometry and is now being circulated among students. Admission process is initiated by the Govt. We are trying to spread the word.

We have decided to start practical training of Vision assistant and Ophthalmic nursing assistant students' training in batches of four. Accordingly, the students have joined the training activity.

CONFERENCES AND WORKSHOPS:

We organised a webinar on infection control practices in post COVID era on 15th September with the help of IPCA. It was very well received. Attended by more than 400 Ophthalmologists. We had to organise a separate session for question and answer.

Dr. Uday was a panellist in the infection control practices webinar organised by Vision 2020 : Right to Sight India programme on 22.09.20.

SATELLITE CENTRES AND VISION CENTRES:

Satellite centres and vision centres OPD work dropped to below 50% due to rise in the numbers of COVID 19 cases in rural areas and heavy rains during the month.

Optical fitting work at Netrang is going on well. We trained one vision technician from Khapar in optical fitting during the month. He has been provided all the necessary equipments and he will start fitting work now.

All vision centres are sending patients regularly for surgical work. Uchhal vision centre is providing maximum patients. It sends patients every week. Other centres are sending patients once in a month. Khapar centre has to send patients to Sagbara as police are not allowing our vehicle to go to Maharashtra.

EYE CAMP:

Looking at the rapidly rising numbers of CORONA patients, camps are far from reality at present. Even under unlock 5 guidelines and the latest guideline on eye care from NPCB and VI, clearance is not given for conducting diagnostic eye camps.

GENERAL:

There are five staff members who have tested positive during the month. Next 15 days will be critical and we are on high alert.

Sale of "Pop in" fit spectacles has been started at Khapar centre on experimental basis. We plan to expand this activity to Netrang centre and base hospital soon. These are made available by Essilor group.

Technical advisory committee meeting was held on virtual platform on 16th Sept. Some how, we were not able to organise this meeting after the first meeting held before the inauguration of the hospital. Now, we will organise this meeting regularly on virtual platform. CORONA has taught us large scale use of online platforms.

We have started "Organisation development" training with the help of Prof. Hiteshbhai Bhatt from IRMA, Anand. He gracefully accepted our request and it will be very good for the team because he is conducting sessions in very simple lucid Gujarati. Core team enjoyed the first session. It was taken virtually. He will conduct sessions every fortnightly – for the time being virtually and once CORONA pandemic has ended, he will take sessions physically.

Flag off of "Drishti Rath" started by Lokdrashti eye bank Surat as a part of eye donation fortnight celebration was done by Shri Nalinbhai Shah – our secretary and other leaders from Mandvi town. This is an effort to raise

awareness about eye donation.

One month ration kits were distributed to the blind children who have been sent to residential schools with the financial help from Mission for Vision. We are thankful to Mission for Vision for the same.
