News Letter - September 2021

HOSPITAL:

The CORONA pandemic is as if forgotten by people in our area which may be inviting a third wave – A worry some scenario. In fact, reminders to be careful is only until our back is seen. OPD and surgical workload has come back to normal. For the first time in the year, we crossed 1000 mark in this month.

One Glaucoma specialist has joined our team during the month.

Dr. Atiyaben Pathan left us after working with us for four and a half years. It became necessity for her as her husband came back from UK and is planning to settle down in his home town Ahmedabad.

NETRAJYOTI TRAINING CENTRE:

Preliminary feedback about the intern optometry students sent for placement last month is very encouraging. All the first batch students were invited to join as a staff member at the respective places where they did their internship with good salary.

All short term training programmes are restarted. Dr. Mamta Meena joined glaucoma observership, Dr. Nirav Modi joined two months Medical Retina fellowship, Dr. Sagar Patel completed his one month Phaco fellowship and Dr. Pooja Patel completed two months SICS fellowship.

Prof. Bhatt took one more session online. All the core team members are enjoying these sessions and are trying to learn the leadership skills. Prof Bhatt was with us in Mandvi for one day workshop and we learnt a lot from him. Follow up action in relation to his training will be taken in near future.

Eye camps:

We have not yet started camp activity.

SATELLITE CENTRES AND VISION CENTRES:

Workload at vision centres has improved substantially.

Our Vyara centre is handed over back to us and we have started daily OPD and twice a week surgeries there.

Frequently, the total OPD of vision centres and satellite centres crosses 100 and has touched 150 on a few occasions. Telemedicine consultation is going on routinely and the teleophthalmology software is also put to good use to send digital prescriptions from here.

GENERAL:

Fire NOC is received without any problem. We are complying with the law 100%.

Team from Lambda Research Organisation – Mr. Ramakar Mishra and Ms. Dhruvi Raval came to Mandvi for a site initiation visit and we have received clearance for the Ranibizumab trial. Now, we can start enrolment of patients as and when there is such a patient who fits the inclusion / exclusion criteria.

Our innovative study of use of UV C rays and methylene blue eye drops has enrolled 11 patients during the month – good going.

Shivani Suchal – associate professor in our Optometry College is selected as the best faculty of the year by Association of Schools and Colleges of Optometry, India (ASCO), Congratulations.

A community meeting was organised at Sagbara on 28.09.21. 15 people remained present. We had a good discussion to improve the output of the centre. Mr. Nikhil Mehta and Mrs. Madhavi Gajiwala from the headquarters attended the meeting in addition to the camp organiser and CBR coordinator.
