

OPPORTUNITY FOR CORNEA CONSULTANT AT TEJAS EYE HOSPITAL, MANDVI, DIST. SURAT

Summary

Divyajyoti trust-Tejas eye hospital was established in 2011. Since 2011, Tejas Eye hospital has been serving the rural and tribal population. We are situated in the rural area of Surat district. The goal of the trust is to work for underprivileged people who don't have access to healthcare. We are doing 70% of work free of cost. Remaining 30% paid work is done with minimal charges. We also have 8 vision centers and 3 satellite centers. We are 100 bedded super specialty eye hospital with all types of eye surgeries are done under one roof.

Total Cornea OPD is **35,452** and Cornea Transplant surgery is **1,487**

As we have a heavy workload of cornea patients, this job is ideal for cornea consultants who are seeking vast experience.

The new Amalsadi campus of Tejas Eye hospital would soon be the largest eye hospital of Gujarat state.
