News Letter - October 2020

### **HOSPITAL:**

COVID 19 pandemic, atleast for the time being has slowed down. The no. of cases appearing on daily basis has gone down. However, the second wave has hit Europe and USA & again lockdown is declared. The workload picked up for obvious reasons. We have reached more than 60% of normal volumes in surgeries and 65-70% in OPD volumes. Paying work has come back to almost 90% level. The poor patients who are still taking the beating. We examined 174 OPD patients on one day and performed 33 operations which is the highest for this year. For the first time this year, we have crossed 700 mark. One retina fellow and one paediatric fellow have joined us from this month. We have started long term paediatric ophthalmology fellowship for the first time. Availability of full time Paediatric Ophthalmologist for a longer duration of time is allowing this step. Early in the month, 8-10 staff members tested positive and then we got whole staff tested for COVID 19.

### **NETRAJYOTI TRAINING CENTRE:**

The remaining two optometry students have already given interview. They will join in November. The other four students who joined their internship in October are doing well.

Exam for the first and second year students is completed during the month. We have started practical training of Vision assistant and Ophthalmic nursing assistant students training in batches of four. Accordingly, the students have joined the training activity. Two nursing assistant students have secured employment in a general hospital in Bardoli. We have selected one vision assistant student for our Umarpada centre. Our optometrist Ms. Shivani Suchal has cleared her M. Optom. Congratulations to her.

### **CONFERENCES AND WORKSHOPS:**

Dr. Suhail Shah – psychiatry resident had visited us in the early part of the year before lockdown. She taught psychology to the students and conducted a short study of the understanding of the students pre and post training. She presented her work at the American Association of Child and Adolescent Psychiatrists' Annual Virtual Conference.

### **SATELLITE CENTRES AND VISION CENTRES:**

All vision centres are sending patients regularly for surgical work. Uchchal vision centre is providing maximum patients. Now, even Maharashtra Govt. has given permission to transport patients and so, we have started bringing patients from Khapar aslo. This has helped us perform close to 300 patients brought in from vision centres.

### **EYE CAMP:**

Looking at the rapidly rising numbers of CORONA patients, camps are far from reality at present. Even under unlock 5 guidelines and the latest guideline on eye care from NPCB and VI, clearance is not given for conducting diagnostic eye camps. Looking at the current downward trend of new CORONA cases in the country, we may get a clearance after Diwali. We will have to wait for the Govt. to announce the same.

### **GENERAL:**

Dr. Jordan Kassalow Visionspring award was formally handed over to us in a virtual programme organised by Vision 2020 : Right to Sight India programme on the occasion of World Sight Day. Resp. Dr. G. N. Rao sir – the founder of L. V. Prasad Eye Institute, Hyderabad was the chief guest and he gave introduction of the activities of Divyajyoti trust to the audience. It was a proud moment for us.

The land transfer documents for Amalsadi land were registered during the month. We have already applied to the Amalsadi gram panchayat to give us permission to start construction work.

We have received clearance for optometry college consecutively for the fourth year and now, the permission is valid for five years. We have started “Organisation development” training with the help of Prof. Hiteshbhai Bhatt from IRMA, Anand. Two more sessions took place in October. Core group members are enjoying the sessions. They will try to implement the learnings in their day to day practice.

One month ration kits were distributed to the blind children of the hostel with the financial help from Mission for Vision. This is in addition to the two months' ration distributed earlier. We are thankful to Mission for Vision for the same. Mr. Shivakabil and Mr. Pragensh Shah from CSR activity of KAPS visited us and expressed their interest in sponsoring one year certificate course students from their service area. It will be a welcome development.
