News Letter - October 2021

HOSPITAL:

OPD and surgical workload has come back to normal. Consecutively for the second time, we crossed 1000 mark in this month.

We performed 12 oculoplasty surgeries on 30th October. We had invited Dr. Harsh Shah from Ahmedabad for this task.

Dr. Sheetalben has left us after working with us for more than 10 years. We will miss her services. We wish her good luck in her future endeavour.

We examined 300 college students on World Sight Day. Incidentally, it was the birthday also of the biggest donor of Uka Tarsadia University.

We conducted free OPD on WSD at Vyara and Khapar and displayed banners for eye care.

NETRAJYOTI TRAINING CENTRE:

All optometry students of first batch have joined as staff at respective places. All the three current batches are undergoing training nicely. Spoken English classes are also going on regularly. Soft skill training is not started yet as centre for humanities at UTU does not have enough staff at present.

Dr. Mamta Meena completed her two months glaucoma observership, Dr. Nirav Modi completed his two months Medical Retina fellowship, Dr. Kajal Kataria completed her one month Phaco fellowship and Dr. Rabab Bhuriwala has joined her two months SICS fellowship.

Dr. Mansi Karia presented a paper on prevalence of pseudo exfoliation during the All Gujarat Ophthalmic Conference – a hybrid conference.

A CME on phaco parameters was organised for our Ophthalmologists by Alcon people.

Prof. Bhatt took one more session online. All the core team members are enjoying these sessions and are trying to learn the leadership skills.

Newly recruited field workers for Netrang, Sagbara and Khapar region have completed their one week training in the last week of the month. They will start working after Diwali.

Eye camps:

We have not yet started camp activity.

SATELLITE CENTRES AND VISION CENTRES:

Workload at vision centres has improved substantially.

Our Vyara centre is handed over back to us and we have started daily OPD and twice a week surgeries there. Slowly, the workload is coming back.

Frequently, the total OPD of vision centres and satellite centres crosses 100 and has touched 150 on a few occasions. Telemedicine consultation is going on routinely and the teleophthalmology software is also put to good use to send digital prescriptions from here. In September and October, we have had close to 1000 tele consultations which is a big achievement.

GENERAL:

Team from Lambda Research Organisation – Dr. Kinjalbhai Shal and Ms. Dhruvi Raval came to Mandvi for a site initiation visit and we have received clearance for the Tacrolimus eye drops trial. Now, we can start enrolment of patients as and when there is such a patient who fits the inclusion / exclusion criteria.

A virtual site confirmation visit was conducted by Euprexia people on behalf of Omni marketing for conducting a study of their multifocal and toric IOL. They are planning to submit EC submission documents by the end of the month.

Our innovative study of use of UV C rays and methylene blue eye drops has enrolled 23 patients over two months.

Construction work which was halted due to monsoon, was restarted as soon as the rains stopped. We will reach plinth level in all three buildings soon. The work for fourth building will start immediately after Diwali.

Prof. Saswata Biswas and Prof. Satyendra Pandey visited Mandvi to prepare a case report on the progress made over last five years and to suggest way ahead. They will come back one more time in end of November or early December. They were impressed by the work done and the quantum of work.

Executive committee meeting was held on 10th October 2021. We had a very healthy discussion on taking the work forward.

We have purchased two electric bikes from the Global grant project done with Rotary Club of Surat Roundtown.

Dr. Singhvi – renowned Liver transplant surgeon from Sir Gangaram Hospital, New Delhi visited us during the month. He is trying to help us with our FCRA registration. Dr. Pragnaben Kalarthi from Swaraj Ashram, Bardoli also visited us along with him.
