

Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - February 2020

HOSPITAL:

We have performed good number of surgical procedures in this month also. Several times, we had to keep pre-operative patients waiting in Punamwadi instead of the hospital due to space crunch. We are thankful to the management of Punamwadi for allowing us to use wadi without charging rent etc.

Special mention of two patients – one a bilateral cataract blind lady who was afraid of surgery was counselled on the roadside by the counsellor and OPD incharge and we could operate upon her under sedation. She would have remained blind otherwise. Second is a small child – three years of age. One eyed. We performed corneal transplant on the only seeing eye and he has regained vision. Such incidences make us feel happy.

NETRAJYOTI TRAINING CENTRE:

Third year for the first batch of Optometry students is going on. We feel that our students are performing well. They have picked up the necessary skills.

Vision technician and Ophthalmic nursing students' training is going on well. Their soft skill training at Uka Tarsadia University has started from last month.

Evaluation:

Dr. Uday conducted clinical audit of Nirmal Ashram Eye Institute, Rishikesh between 24-25 February. This was his second visit to the same hospital.

Kosamba vision Centre:

We had to shift the place of Kosamba vision centre during the month as the rented premises was sold off. We have settled in the new place.

Community Based Rehabilitation Programme:

Rehabilitation work for fifth quarter is started. There are 37 Blinds being rehabilitated during this quarter. This quarter is the last quarter of rehabilitation work. We will most probably finish the rehabilitation work by the end of May or June. In all, we will be rehabilitating 174 Blind individuals from Vyara block by the end of the activity.

World Handicapped Day was celebrated by organising various sports competition for handicapped persons. 71 individuals participated. Each and every participant was given a token prize, over and above the winners.

Hostel for Blind children:

Three blind students participated in braille writing competition at Surat.

GENERAL:

Training of our ethics committee in Good Clinical Practices – GCP was conducted on 16th February. Dr. Kiran Marthak a very senior experienced researcher from Lambda Therapeutic Research came down from Mumbai to impart the training. Clinical staff who will get involved in data collection also joined the training session.

One article on the operational research on DR conducted by us titled – “Effectiveness of health education and monetary incentive on uptake of diabetic retinopathy screening at a community health centre in South Gujarat, India” was published in February 2020 issue of Indian Journal of Ophthalmology.

We carried out an Avoidable Blindness Free Village creation activity in Umakhadi village of Umarpada taluka for Rotary club of Roundtown, Surat. All 970 individuals were screened door to door for visual acuity and then called for detailed examination in a camp organised in the village. 160 individuals underwent blood sugar, blood pressure and Intra ocular pressure checks, 124 fundus photography were done. 153 individuals were provided with spectacles and 11 cataract operations were done. Still, there are more patients who need services and are being followed up.

Our visiting neuro Ophthalmologist Dr. Tanujaben's daughter – came to Mandvi on 26th February to train our kitchen staff in maintaining discipline in the kitchen while cooking. She also spent time with the cleaning staff and taught them how to prepare bed and how to maintain better standards of cleanliness in the toilets.

Shri Kulbandhu Sharma and Shri Vimalbhai Jhaveri visited us to see the field work in Umakhadi village – The avoidable blindness free village creation activity. Mr. Pankaj Vishwakarma from Mission for Vision visited us for supervision of the Vyara and Khapar centres supported by them. Dr. Kiran Marthak from Lambda Therapeutic Research Company visited us to provide training to our ethics committee. Dr. Geetaben Modi from Vadodara and Shri Karsanbhai & Shri Vijaybhai Bhakta from Shampura – our donors and well wishers visited us.
