News Letter - February 2021

### HOSPITAL:

This month, we have done the maximum number of surgeries in the month for the year, we crossed 1150 mark. The workload is gradually showing a trend towards normalcy which is a welcome sign. Almost 90% staff members have taken second dose of CORONA vaccine.

### NETRAJYOTI TRAINING CENTRE:

Optometry students are happy with class room training. Final exam for the semester will be taken early next month.

Out of the total 18 students in the previous batch of AOP training, 17 have received placement and have joined duties at respective places. Only one student is left now. Our efforts for her placement are on.

### SATELLITE CENTRES AND VISION CENTRES:

Number of patients coming from Khapar centre have increased because of the field worker in Akkalkua region. In fact, we have to restrict the numbers at times.
