News Letter - January 2020

HOSPITAL:

We have performed the highest number of surgical procedures of the year in this month – 1500 +. Several times, we had to keep pre-operative patients waiting in Punamwadi instead of the hospital due to space crunch. We are thankful to the management of Punamwadi for allowing us to use wadi without charging rent etc.

NETRAJYOTI TRAINING CENTRE:

Dr. Pari Desai from Navsari completed her phaco fellowship during the month. Dr. Radhika Patel from Surat has joined her two months SICS training. Dr. Suhani Patel from Surat has joined her two months medical retina fellowship.

Third year for the first batch of Optometry students has started. Essilor office bearers visited us during the month and promised that they will accept our students for internship and later for jobs if they find them suitable for their requirements.

Dr. Suhal Shah – resident in Psychiatry in USA taught psychology to the Optometry students. Students realized the importance of English subject/language as they had hard time understanding the English words. Dr. Shah's American pronunciations made it more challenging.

Vision technician and Ophthalmic nursing students' training is going on well. Their soft skill training at Uka Tarsadia University has started this month. One more faculty has joined us for providing soft skill training to both Optometry and Vision technician students.

WORKSHOPS AND CONFERENCES:

Dr. Uday attended the "Management Priorities in Eye Care" a training workshop of one week duration at LAICO, Madurai during the month.

Dr. Uday delivered a talk on "Documentation and Monitoring" from the SETCOM – Govt. of Gujarat's platform for webinar for the Ophthalmologists and paramedics across Gujarat. With this, we have completed six sessions on infection control measures for Gujarat Ophthalmologists and paramedics.

Dr. Uday delivered a talk on Infection control protocol at Blind People's Association, Ahmedabad. The programme was organised under the aegis of Vision 2020 : Right to Sight Gujarat Chapter and National Programme for Control of Blindness. There were close to 100 delegates present in the programme.

Vipul Joshi and Deepak Prajapati attended the Optic 2020 conference in Mumbai.

Mitesh Vasava and Dhirubhai Gamit attended the counselling workshop organised by Vision 2020 : Right to Sight India programme at MGM eye institute, Raipur.

Outreach Activity:

Eye check up of all the bus drivers and conductors of Mandvi depot was organised during the month. We examined 84 individuals.

Netrang Satellite Centre:

We have started using second room at Netrang centre. The total OPD has increased and the one room allotted to us was falling short substantially. With kind permission from the Superintendent, we have converted open passage into a room with aluminium section partition and we have started using it. Second Ophthalmic Assistant is also posted there.

Community Based Rehabilitation Programme:

Rehabilitation work for fourth quarter is going on. There are 37 Blinds being rehabilitated during this quarter. This quarter will end by the end of January.

World Handicapped Day was celebrated by organising various sports competition for handicapped persons. 71 individuals participated. Each and every participant was given a token prize, over and above the winners.

Hostel for Blind children:

The total strength in the hostel is 18 now. All the new students have also settled very well. Academic activities have started full swing.

Sangeeta our blind girl from the hostel won prize in singing competition.

GENERAL:

We have received NA (Non Agriculture) permission in respect of Amalardi land. The submission of drawings is also done. Now, we are waiting for the approval of drawings. However, due to death of one of the owners, Shri Swaroopchandbhai, we will have to wait until the proceedings for heredity transfer are completed.

Dr. Suhal Shah – second year resident in Psychiatry at New York, USA visited us during the month. She visited the hospital and vision centre and also met some blind clients in the field (Our rehabilitation programme beneficiaries). She was very appreciative of the work being done. She donated school bags to our blind students residing in the hostel.
