News Letter - June 2021

### HOSPITAL:

The CORONA situation improved substantially during the month. OPD came close to 90% levels towards later half of the month. After we started the field work, the surgical patients also started coming. Surgical work also reached close to 75% levels during the month.

Dr. Akruti Jariwala has joined as a comprehensive ophthalmology fellow from 1st June.

Maintenance department prepared six boxes to house the transformers from waste material.

### NETRAJYOTI TRAINING CENTRE:

All the students – optometry and vision assistant, are called back and class room teaching has started.

All short term training are still suspended.

Mitesh Vasava – our vision technician posted at Dediapada centre completed his one month training in optical fitting during the month. We will be able to start fitting work at Dediapada now.

One more study of our cornea fellow was registered on CTRI portal early this month.

### Eye camps:

We have not yet started camp activity.

### SATELLITE CENTRES AND VISION CENTRES:

Workload at vision centres has also dropped just like the HQ. Hopefully the scenario will improve soon.

Our Vyara centre is converted into COVID facility and we have temporarily closed down our eye care activities in Vyara.

### GENERAL:

A small function to hand over the equipments for 7 vision centres was conducted on 27th June Sunday by Rotary Club of Surat Roundtown. These equipments have been donated by them under a Global grant with e Rotary club of World peace – Israel and USA, district grant and term gift from an anonymous donor from Chicago. We sincerely appreciate the help of Mrs. Ashaben Dalal from New Jersey, USA in ensuring that we get this term gift. In spite of Shri Vijaybhai Dalal passing away suddenly, she kept the contact with the donor live and we could get the term gift. We are very thankful to the Rotarian members of Rotary Club of Surat, Roundtown for their continuous support over the years. We have completed three global grants with them worth Rs. 1.5 crore by now. With addition of these equipments, our vision centres will become best equipped and the ambience will also improve. Ultimately our patients will be benefitted.

We have continued to provide food to “CORONA ward staff at CHC, Mandvi”. This activity is supported by Khodiyar Jewellers and Mission for Vision. Provision of “Kadha” (Ukalo) to our patients and passers by and the Staff is continued. We have prepared medicine kit for home quarantine patients including pulse oximeter and will provide it to those who are under home quarantine.

Construction work at Amalsadi site is going on, however, that work is also affected due to CORONA. We are still trying to make progress in the best possible manner. Due to monsoon, the work has slowed down further.

Platinum rating of our training centre building has been renewed for three years by IGBC. However, the points have reduced BUT still it is good enough to get us platinum rating.

Our night watchman at Amalsadi campus, after duty hours, while going home on his bicycle, met with an accident and had a head injury. He is very poor and can't spend anything on treatment. We sent him to the best hospital in Surat and took care of all the expenditure of his treatment. This was done on humanitarian grounds.
