News Letter - May 2020

### HOSPITAL:

Complete lockdown continued till 10th May. Govt. of India gave permission to restart elective surgical work from 11th May onwards. Lockdown was also partially lifted. The footfall also increased – we saw maximum 97 OPD patients on one day. Many times the OPD was 90+. We have performed 100+ elective surgeries. However, still only 50% of the staff is attending duties. All speciality clinics are also started and patients are coming for that also. However, the numbers are remaining small. Our team is trying their best to work with maintaining all the suggested protocol. Patients coming from Surat have even praised our arrangements for preventing spread of COVID 19.

### NETRAJYOTI TRAINING CENTRE:

All the students have been sent home due to corona issue and the exams for the optometry students is also postponed in view of the same issue. We have continued to take sessions on zoom platform regularly. The university has announced the date for final exam also. We are still debating how to go about it.

Vision technician students are not yet called back to the training centre as the workload is still on the lower side and even regular staff members are doing duty in turns. Only 50% of the staff is on duty at any given point of time.

### SATELLITE CENTRES AND VISION CENTRES:

Satellite centres and vision centres OPD work was started from 5th May. Naturally, the footfall has remained low. BUT, we are happy to note that we are able to help patients from interior areas get services even when the state transport bus services are also not fully functional.

All the staff were provided training in working with the new guideline on zoom call.

Surgical work at satellite centres will be resumed from 8th June when under unlock I, further relaxations are being given.

### EYE CAMP:

Govt. has suggested that all the outreach camp activities to be suspended till end of June. We will have to wait for the next intimation from the National Programme for the Control of Blindness.

### GENERAL:

The free time has been utilised in preparing articles to be submitted to the journals. Three more papers from the RAVI survey done by us as have been submitted to international journals. Few more articles are getting ready and should be submitted soon.

The renewal of our ethics committee registration is due in August and hence, the submission of required documents for renewal and registration on CDSCO portal is initiated.

Everybody – individual – corporate – NGOs will be facing financial crisis during this period. We are no exception. We sent out donation appeal and it is very heartening to note that our well-wishers and donors are contributing even under this difficult situation. This has given us strength and motivation – we are sure of going through the remaining phase with the same enthusiasm. Our sincere, heartfelt thanks to all our well-wishers and donors.
