News Letter - May 2021

### HOSPITAL:

The CORONA situation remained bad until mid-May. In the later half of the month, the cases started decreasing. OPD which had dipped to 35-40 patients per day, reached upto 100 in the last week of May. However, patients are still not getting ready for surgery. They are not willing to get any test of CORONA done before surgery. We will start field work from first week of June.

During this second wave also, almost 16 staff members got infected. Luckily enough, all of them have come back to work after home quarantine. Nobody required hospitalisation. Two family members of staff had to be hospitalised and one of them lost the battle.

### NETRAJYOTI TRAINING CENTRE:

All the students – optometry and vision assistant, are sent home and online classes are started again.

All short term training also remained suspended for the month.

A paper titled “Operational Research study on compliance of spectacle wear among school” is published in IJO June 21. However, this work was carried out in SEWA Rural with financial support from Vision 2020 : The Right to Sight India programme.

Arun Vasava – our vision technician posted at Sagbara centre completed his one month training in optical fitting during the month. We will be able to start fitting work at Sagbara now.

Dr. Uday delivered a talk on “Prevention and early intervention for CORONA” in online meeting of staff members of Mission for Vision on 28th May.

Five studies of our fellows were registered on CTRI portal early this month.

### Eye camps:

Naturally, eye camp activity is also stopped for the time being.

### SATELLITE CENTRES AND VISION CENTRES:

Workload at vision centres has also dropped just like the HQ. Some of the staff members at the vision centres also got infected and had to be quarantined.

Our Vyara centre is converted into COVID facility and we have temporarily closed down our eye care activities in Vyara.

Due to lockdown in Maharashtra, patients could not travel from Khapar centre to Mandvi during the month.

### GENERAL:

We have completed 10 years of existence on 22nd May. However, due to CORONA pandemic, no major celebration was planned. Ganesh puja was done on 22nd as done every year. All the staff had a gala meal on 22nd in batches. Sweets were distributed to all the staff. We have decided to give an LED digital wall clock to all the staff members as a token for permanent memory. A gala meal was offered to all the workers at the Amalsadi campus also. All the staff got involved in cleaning the whole campus over one week – they worked in teams for the purpose and then decorated the whole campus on 21st. Rangolis were prepared on the whole campus and all looked beautiful. The whole campus was decorated with lights also.

We have started providing food to “CORONA ward staff at CHC, Mandvi”. This activity is supported by Khdoyar Jewellers and Mission for Vision. We are providing “Kadha” (Ukalo) to our patients and passers by daily. Almost 100 individuals are taking advantage of the facility daily. Staff is being provided the same from the beginning of second wave. We have prepared medicine kit for home quarantine patients including pulse oximeter and will provide it to those who are under home quarantine.

Construction work at Amalsadi site is going on, however, that work is also affected due to CORONA. We are still trying to make progress in the best possible manner. As suggested by Mr. Ravi Mehra and Mrs. Shobha Mehra, we have started providing one meal to all the kids at the Amalsadi campus. In addition, our braille teacher is teaching them for one hour daily. Khodiyar Jewellers, Mandvi have donated useful material for education to all the kids.
