

Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - November 2020

HOSPITAL:

COVID 19 pandemic, at least for the time being has slowed down. At least till date, no evidence of second wave is seen in our area.

The workload picked up for obvious reasons. In spite of major festival falling in the month, we have reached close to 60% of normal volumes in surgeries and 55-60% in OPD volumes. Paying work has come back to almost 90% level. It is the poor patients who are still taking the beating. There were 184 OPD patients on 23rd November – the highest till date for the year. We performed 37 surgeries twice on 9th and 23rd November – again highest for the year on a day.

During the month, 2 staff members tested positive, they have recovered and joined duties after quarantine period was over.

NETRAJYOTI TRAINING CENTRE:

The remaining two optometry students have already joined internship. We felt relieved. However, one of the students who got placement offer in Rajasthan, denied the same. Students were told in the beginning itself that they may have to go outside Gujarat but still this happened. The other four students who joined their internship in October are doing well.

All the first and second year students have cleared their final exam.

We have started practical training of all the Vision assistant and Ophthalmic nursing assistant students. Two nursing students have joined jobs in a private hospital in Bardoli from 1st November. We have selected one vision assistant student for our Umarpada centre.

CONFERENCES AND WORKSHOPS:

Dr. Udaybhai talked about the “Pandemic perspective to reach out to the last person” in the webinar organised by Mission for Vision on 11th November.

SATELLITE CENTRES AND VISION CENTRES:

All vision centres are sending patients regularly for surgical work. Uchchal vision centre is providing maximum patients. It seems patients are getting used to coming to the vision centre for getting transported to the base hospital for surgery – a welcome development.

We have shifted the place of Dediapada centre from 1st Nov. to a more central location in the market place. Hopefully, the footfall will increase. The space is also more in the new place.

EYE CAMP:

Clearance for conducting eye camps is given now with maintenance of social distancing norms and other requirements. We will start conducting camps from December. However, to maintain the norms, we will not perform refraction at the campsite.

Hostel for blind students:

Mission for Vision have agreed to provide financial help for two more months’ ration kit for 34 blind students. With this, almost six months’ ration kit is distributed with the help of MFV. Such a huge relief for these poor students’ families! Our sincere thanks to Mission for Vision.

Towards the end of the month, we have brought the blind students into the hostel. Now, the street people have not objected.

GENERAL:

COVID 19 guideline for eye hospitals was released on 12th Nov. in an online function. Dr. Udaybhai was a member of the team who developed this guideline. This guideline is endorsed by WHO also and is likely to be used in many countries. This was a joint initiative of ORBIS and Quality & Accreditation Institute of India.

Ration kits worth two more months has been sanctioned by Mission for Vision. This is in addition to the four months’ ration distributed earlier. We are thankful to Mission for Vision for the same.

We had a virtual meeting with the founders of Mission for Vision on 11th Nov. We hope that this meeting will help us strengthen our ties with MFV. Our partnership with MFV has been a very useful one and we appreciate their support.

Staff members prepared wonderful rangoli at several locations within the premises just before going for Diwali leaves. They really enjoyed the team work.

Our president distributed sweets to all the staff members’ families.
