Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - November 2021

HOSPITAL:

OPD and surgical workload has come back to normal. Consecutively for the third time, we crossed 1000 mark in this month. This was inspite of Diwali festivals in the first week when the workload came down to almost negligible levels.

With the Grace of GOD, we have completed 1,00,000 eye operations in little over 10 years' time in the middle of November. We are very happy to have achieved a major mile stone.

With the appearance of new variant of CORONA –OMICRON, the whole world is on guard. Let us hope, we don't see a rise in cases in India.

NETRAJYOTI TRAINING CENTRE:

Second batch of optometry students have joined their internship. We are happy to note that our second batch students also got internship placement with stipend.

Dr. Pooja Patel completed her one month Phaco fellowship and Dr. Rabab Bhuriwala has completed her two months SICS fellowship.

Dr. Mansi Karia presented a paper on prevalence of pseudo exfoliation during the All Gujarat Ophthalmic

Prof. Bhatt took one more session online. All the core team members are enjoying these sessions and are trying to learn the leadership skills.

Eye camps:

We have not yet started camp activity.

SATELLITE CENTRES AND VISION CENTRES:

Workload at vision centres has improved substantially.

Workload at Vyara satellite centre is increasing gradually.

Frequently, the total OPD of vision centres and satellite centres crosses 100 and has touched 150 on a few occasions. Telemedicine consultation is going on routinely and the teleophthalmology software is also put to good use to send digital prescriptions from here. We are doing 1000 tele consultations every month which is a big achievement.

CONSULTANCY:

Dr. Uday visited one vision centre run by KBHB eye hospital in Pali, Dist. Raigadh, Maharashtra and one vision centre run by H. V. Desai eye hospital, Pune in Akkalkot, Dist. Solapur, Maharashtra for evaluation of the performance of the centres. This was suggested by the funding agency of these vision centres – Mission for Vision.

GENERAL:

Two patients are enrolled in Tacrolimus eye drops trial. PMMA IOL study has started and we have enrolled close to 25 patients till date.

Our innovative study of use of UV C rays and methylene blue eye drops has enrolled 30 patients over three months.

Construction work which was halted due to monsoon, was restarted as soon as the rain stopped. We hope to reach plinth level in buildings A, B and C by the end of December. Work for D building has just started towards the end of November.

Diwali was celebrated with all the staff members and their families. Children enjoyed firecrackers and then everyone had snacks. Very nice rangolis were prepared by staff. The whole premises was decorated by the staff.
