Tejas Eye Hospital Run by Divyajyoti Trust

Hospital

- We have performed 944 surgeries during this month which is somewhat less than what we did in August last year 961. This year, the performance is lower than the previous year every month. We have not understood the reason clearly. We hope that with the environmental condition improving, the workload will come back.
- Dr. Harshal Kriplani from Nagpur has joined us for a 1.5 years Vitreoretina fellowship and 1.5 years Comprehensive fellowship from 10th August. So, he will be here for 3 years. Dr. Arpita Mistry from Savai Madhopur has joined us for 1.5 years Comprehensive fellowship.
- Dr. Pooja Kapadia completed her tenure of 1.5 years of Comprehensive fellowship and has left us.
